PLANNING

The land all falls within the Metropolitan Green Belt, outside any defined settlement boundary as per the adopted Dartford Local Plan (adopted April 2024).

It is believed, however, that there is medium to long term potential owing to the land's location. Adjoining the adopted village boundary of Lane End, it is a short walk from several key services and bus stops, plus just a short drive to a major road network.

A planning brief is available from the vendor's agent.
